Add some sparkle...

Refresh your life!

Tossa is a global home and personal hygiene company created to add value by improving the lives of our consumers.

We try to grow our business by sourcing and creating our products and services in ways that make our planet a better place.

Across every part of our global supply chain, we try to make choices that help to create ultimately happier consumers.

We have a broad range of hygiene products that add sparkle to life's moments, made with love.
